

VICTORIA URBAN TRANSPORTATION STUDY

ANNUAL PERFORMANCE and EXPENDITURE REPORT

FY 2006

TASK 1.0

ADMINISTRATION / MANAGEMENT

OBJECTIVE:

General administration of the Victoria MPO's transportation planning process, including compliance with accounting, reporting, and monitoring requirements; budget preparation; education, travel and training activities; equipment and supply purchases; coordination/communications with state and federal agencies such as TXDOT, FHWA, FTA, TNRCC, and EPA.

WORK PERFORMED AND STATUS:

Subtask 1.1: Administration – Prepared the FY 2004 Annual Report, FY 2004 Annual Listing of Projects and the FY 2006 UPWP. Staff conducted 8 Regular MPO Meetings and one Public Meeting for the adoption of the FY 2006-2008 TIP. The MPO meets on the second Tuesday of every month (providing there is sufficient material for the agenda). The MPO staff provides all required and available information to the Policy Advisory Committee, Ex-officio members and other interested parties. The MPO Staff handles the facilitation of public meetings and the publication of notices. The MPO Staff handles minutes and all support material for public meetings.

Subtask 1.2: Travel & Education – Traveled to a variety of meetings, workshops and conferences such as; Texas Association of Metropolitan Planning Organizations (TEMPO), Technical Working Group on Air Quality (TWG), Texas Near Non-Attainment Areas, I-69 Technical Advisory Committee, and the Texas Transportation Planning Conference.

Subtask 1.3: Title VI Civil Rights Evaluation – Provided information and updates to Environmental Justice topics and issues to the Victoria Policy Advisory Committee and its Ex-Officio members. Started working on better ways to provide information to all sectors of the public and began establishing contacts with all Chambers of Commerce and various neighborhood associations.

COMPLETION AND CARRY OVER OF PROJECTS:

As stated in the descriptions above all of these Tasks have been completed but all of these Tasks will be carried over into FY 2007. These are ongoing Tasks and will always be carried over into the next Fiscal Year. The only thing that may change is the type of documents that are Amended or created under Administration; the type of training or conferences that are attended under Travel & Education and the type of analysis or strategies that are conducted under Civil Rights Evaluation.

Note: The Victoria MPO Amended the FY 2006 UPWP on February 14, 2006. The totals above reflect those changes. The Amendments were due in part to an increase in PL112 funds from FHWA and TxDOT. The original UPWP that was approved by the PAC on July 12, 2005 had a total budget \$141,579 which included a FY 2006 PL allocation of \$92,316. The FY 2006 Amended UPWP incorporated an increase PL amount of \$160,000 which was an increase of \$67,684. Both budgets included a carryover from FY 2005 in the amount of \$29,263.

TASK 2.0

DATA DEVELOPMENT AND MAINTENANCE

OBJECTIVE:

Continued improvement of Geographic Information Systems (GIS) capabilities will continue to be a focal point of the task. A goal of the task is to collect and analyze the types of data needed or MTP updates, travel demand model maintenance and improvement, public transportation planning and other ongoing transportation planning activities.

WORK PERFORMED AND STATUS:

Subtask 2.1: Utilization of the City of Victoria's GIS capabilities and the MPO's Travel Demand Model (TransCAD version) to continually check the validity of the MPO's MTP and the City of Victoria's Thoroughfare Master Plan. Create Data Bases that are used to generate various transportation related maps.

Subtask 2.2: Continually update the usefulness and validity of Victoria Transit's Fixed Route Service and complimentary Para-Transit Service. Continue to link various data bases to the City of Victoria's GIS System to evaluate current transit service and possible ways to improve service.

COMPLETION OF TASKS AND PROJECTS CARRIED OVER:

The main purpose of this Task is for the development and maintenance of various transportation databases and for participation in the City of Victoria's GIS Program. However, there were no equipment purchases or major database updates in FY 2006 that required participation from the Victoria MPO.

TASK 3.0

SHORT RANGE PLANNING

OBJECTIVE:

To develop and maintain the Victoria County Metropolitan Transportation Improvement Program (TIP), participate with TxDOT in constructing the Unified Transportation Program (UTP) and administer other planning activities related to the near time frame.

WORK PERFORMED AND STATUS:

In November of 2005 the MPO conducted and adopted to the 1st Amendment to the FY 2006-2008 Transportation Improvement Program (TIP). The process began with a mail out in September of 2005 to over 100 interested individuals, groups and organizations and concluded with PAC approval of the amendment to the FY 2006-2008 at the November 8, 2005 meeting.

The MPO will continue working with the TxDOT Victoria Area and Yoakum District offices to participate in the updates of the TIP and the Unified Transportation Program (UTP).

COMPLETION OF TASKS AND PROJECTS CARRIED OVER:

All of the above mentioned items will be carried into FY 2007 because they are ongoing and continuing tasks. Activities under Task 3.0 do not change from year to year. The Victoria MPO uses this task as stated above for development and updates to the MPO's TIP and project selection.
